18. FORCE MAJEURE

18.1 Neither Party shall be liable for any failure to fulfil any of their obligations under this Agreement insofar as such failure is due to force majeure, for which purpose force majeure shall include but not be limited to all events beyond the control of the Party claiming force majeure which cannot be foreseen, or if foreseeable cannot reasonably be avoided, which occur after the Effective Date and that prevents or hinders the carrying out of the obligations of the Party claiming force majeure, and without limitation shall include acts of God (the elements), acts of nature, war (whether declared or not), blockage, embargo, boycott, revolution, invasion, insurrection, riot, civil commotion, mob violence, sabotage, strikes, lock-outs, epidemics, quarantine or other reasons.

18.2 The Party affected by the force majeure ("**Affected Party**") shall notify the other Party, within 5 (five) Business Days from the date on which the occurrence or expected occurrence of the force majeure comes to the notice of the Affected Party and provided that the Affected Party is able to provide such notice of the force majeure event and the nature, extent and anticipated duration of the force majeure. If the Affected Party fails to notify the other Party as aforesaid, the Affected Party shall not be entitled to rely on the force majeure provision in this document.

18.3 The Affected Party shall use its best endeavours to obviate or remove the results of the force majeure in the shortest time practicable and shall, in any event, not refrain from the due performance in terms of the Agreement of such of its obligations as may remain unaffected by the force majeure.

18.4 The performance of the obligations of the Affected Party shall, subject to clause 17.5, be suspended for the duration of the force majeure, which shall be deemed to commence only upon the date of written notice by the Affected Party to the other Party. Upon cessation of the force majeure, this Agreement shall again become fully operative and the Affected Party shall immediately resume its performance.

18.5 If the suspension of performance continues for more than 30 (thirty) consecutive days, then either Party may summarily terminate this Agreement by written notice to the other Party, prior to the cessation of the force majeure, but the non-affected Party shall not be entitled to claim damages against the Affected Party as a result of the delay or failure in the performance of any obligations arising from this Agreement due to or resulting from the force majeure.

19. WARRANTY

19.1 The Parties warrant to each other that they have and shall in future comply at its own expense with all laws, regulations, by-laws and requirements of local or other authorities relating to this Agreement.

19.2 Save as is specifically mentioned to the contrary in this Agreement, no other representations or warranties have been made or given by either Party to the other and each of the Parties acknowledges and declares that they have entered into this Agreement without relying in any way upon any representations made by or on behalf of the other Party, save only to the extent that such representations are repeated and incorporated in this Agreement as express terms.

20. NON-SOLICITATION

20.1 The Client shall not, for the duration of this Agreement and for a period of 12 (twelve) months from the termination of this Agreement, for any reason whatsoever, either for the Client or as agent for any concern in which the Client has an involvement or as a representative of any other party and whether directly or indirectly employ and/or solicit to employ, induce or procure any MineRP employee or contractor to terminate his/her employment or contract with MineRP, and/or to become employed or associated with the Client or any other concern, including without limitation any concern in which the Client has an involvement, whether directly or indirectly through any third party.

20.2 Should the Client be in breach of the provisions of clause 19.1, the Client shall pay to MineRP within 30 (thirty) days of receipt of notice to that effect, an amount equal to 40 (forty) percent of the individual's total annual cost to company or such other fee as the Parties may otherwise agree in writing, by way of compensation for the cost of recruitment and training associated with the replacement of such individual.

21. RELATIONSHIP OF THE PARTIES

21.1 The relationship of the Parties shall be governed by the terms of this Agreement and nothing contained in this Agreement shall be deemed to constitute a partnership, joint venture or the like or agency or employer employee relationship between them. Neither Party shall by reason of the actions of the other Party incur any liability on behalf of the other Party or in any way pledge or purport to pledge the other Party's credit or assets or incur any personal liability as a co-partner to any third party and neither Party shall be entitled to represent or hold out to any third party that the relationship between the Parties is that of a partnership, joint venture or the like as aforesaid.

22. LIMITATION OF LIABILITY

22.1 Notwithstanding any other stipulation to the contrary contained in this Agreement, neither Party shall be liable for any indirect, special, incidental or consequential damages of any kind whether caused contractually or delictually and whether caused directly or indirectly.

22.2 The Client agrees that the total amount of MineRP's liability to the Client in any way arising out of the performance of the Services and whether in contract, delict or breach of statutory duty or other otherwise shall during the terms of this Agreement not exceed in aggregate an amount equal to the aggregate amount paid by the Client to MineRP as Service Charges.

22.3 A Party shall not be liable for damages, losses or claims in respect of its failure to perform its obligations in terms of this Agreement to the extent that such failure is due to any default or omission by any other third party not under the direction or control of such Party.

22.4 The above sets out the Client's exclusive remedies and MineRP's entire liability howsoever arising in respect of any Services provided or agreed to be provided hereunder.

23. BREACH

23.1 Should any Party ("Defaulting Party") commit a breach of any provision of this Agreement and fail to remedy such breach within 14 (fourteen) days of receiving written notice from the other Party ("Aggrieved Party") requiring the Defaulting Party to do so, then the Aggrieved Party shall be entitled, without prejudice to its other rights in law, to claim specific performance of all of the Defaulting Party's obligations whether or not due for performance or to cancel this Agreement, in either event without prejudice to the Aggrieved Party's right to claim damages.

23.2 Any waiver by either party of a breach of any provision of this Agreement shall not be considered as a waiver of any subsequent breach of the same or any other provision.

23.3 The rights to terminate this Agreement given by this clause shall not prejudice any other right or remedy of either party in respect of the breach concerned (if any) or any other breach.

24. TERMINATION

24.1 The Client may, at any time, give written notice to terminate a Statement of Work for a Minor Enhancement or Project. For an assignment planned to exceed three months, notice shall not be less than one month prior to the date of termination; for an assignment of less than three month's duration, notice shall not be less than two weeks prior to the date of termination;

24.2 Upon notice of termination, the MineRP may be requested, at any time during the notice period, to cease any work that is in progress and submit such deliverables to the Client as may be completed at that time. MineRP will return all materials provided by the Client or products created by MineRP during the performance of the Project services and paid for by the Client;

24.3 In the absence of specific termination clauses included in the agreed Work Request for a particular Project or Minor Enhancement, the client will only pay for work delivered or fir resources committed to the assignment up until the date of project termination, which MineRP is unable to allocate elsewhere at a similar margin or to terminate, without prejudice, prior to the date of termination.

24.4 Termination of a Project or Services does not affect the overall implementation of other agreements nor cause the provisions of larger contracts of which this engagement might be a part or outcome to be unilaterally applied;

24.5 On termination, expiration or cancellation of this Agreement, the Parties shall immediately return to the other Party all of the other Party's Confidential Information and records and property and all information including any material contained in any electronic retrieval system or database obtained by a Party from the other Party directly or indirectly, whether in tangible or intangible form and as a result of this Agreement which a Party may have in its possession or under its control.

25. DISPUTE RESOLUTION

25.1 Any dispute which may arise between the Parties shall first be determined at the level of the Designated Representatives. If the dispute cannot be resolved within 7 (seven) days of such dispute being referred to the Designated Representatives, it shall be referred for determination to the chief executive officers of the Parties respectively (or their nominated representatives) for joint determination and if the dispute cannot be resolved amongst them within 7 (seven) days of such dispute being referred to them then it shall be referred for determination in accordance with the provisions of the remainder of this clause 24.

25.3 That arbitration shall be held with only the Parties and their representatives present in Johannesburg, South Africa.

25.4 It is the intention that the arbitration shall, where possible, be held and concluded in 21 Business Days after it has been demanded. The Parties shall use their best endeavours to procure the expeditious completion of the arbitration.

25.5 Save as expressly provided in this Agreement to the contrary, the arbitration shall be subject to the arbitration legislation for the time being in force in South Africa.

25.6 The arbitrator shall be an impartial admitted attorney whether practising or non-practising of not less than 15 (fifteen) years standing appointed by the Parties or, failing agreement by the Parties within 10 (ten) days after the arbitration has been demanded, at the request of any of the Parties shall be nominated by the President for the time being of the Law Society of the Northern Provinces (or its successor body in Gauteng). If that person fails or refuses to make the nomination, any Party may approach the High Court of South Africa to make such an appointment. To the extent necessary, the court is expressly empowered to do so.

25.7 The Parties shall keep the evidence in the arbitration proceedings and any order made by any arbitrator confidential unless otherwise contemplated herein.

25.8 The arbitrator shall be obliged to give his award in writing fully supported by reasons, unless otherwise mutually agreed to by the Parties in writing.

Each person signing this Agreement for and on behalf of a Party hereto hereby warrants in his personal capacity that he is duly authorised by such Party to do so.

27.6 No addition to or variation, consensual cancellation or novation of this Agreement and no waiver of any right arising from this Agreement or its breach or termination shall be of any force or effect unless reduced to writing and signed by all the parties or their duly authorised representatives. For the purposes hereof, a "written document" shall exclude any written document that is in the form, either wholly or partly, of a data message as defined in the Electronic Communications and Transactions Act, 25 of 2002, and "signed" shall mean a signature executed by hand with a pen and without any electronic process or intervention.

Agreement, or stop such Party from enforcing, at any time and without notice, strict and punctual compliance with each and every provision or term hereof.

27.8 Each Party shall pay its own cost of negotiating, drafting, preparing and implementing this Agreement and any annexures to it.
